Program:

Quality Control for the Watchmaker

Presenter:

David Douglas

Please see *map* on page 4.

From your President:

A big thank you to Hugh Lindsay for filling in at the last minute and his presentation on being prepared for the inevitable. Well done!

It was wonderful to see so many Guild members at the All Texas Chapters' Regional in Houston.

It's For free! - Ready, Set....

Go!

Hook 'Em Hugh!

Bench Tips

Using a threaded rod and spring wire you can make a coiled spring using a lathe while turning it by hand.

Placing a magnet on a telescopic stick - fits right into the tailstock on a lathe.

Pok-E-Jo's is located at 2121 Parmer Lane between Metric and Mopac in North Austin.

Education:

The Southwest Museum of Clocks and Watches is offering a class on Introduction to 2-spring American Clocks on November 13. The Cost is \$100 and it will be held at the Museum in Lockhart. If you are interested in attending this class, please contact Gene Galbraith at genegalbraith35@aol.com or call 512-658-3853.

Mary Ellen checked into availability of classroom space in Bryan, but no space is available for rent through the rest of this year. As several people are too busy to help teach a class or attend a class this fall, it looks like the next clock class sponsored by the Guild, will be some time next year.

Dennis reported that he and David are working on planning a Pocket Watch Class that will focus on

In the News:

Decision was made that we would have our Christmas party at La Ventana at the Domain (the same place as last year). Dennis will check on the availability and cost and report back this next month.

The All Texas Chapters' Regional is in Houston August 27-29, 2010.
